### Everything You Need to Know About Kenya (From a Kenyan)

Kenya's wildlife is famous, and for good reason! However, there's more to this incredible country than safari, and it's there's more to this incredible country than safari, and it's about time you discovered it!

Sahar Aman  
July 8, 2019 — 10 min read

This story was created in partnership with: **Kenya Tourism Board**

Clued-in travellers have already experienced Kenya, but for the rest of us, this East African country alongside the coast of the Indian Ocean is only now making waves. The Kenyan wilderness has attracted safari enthusiasts for decades, after all, it's home to the famous Masai Mara National Reserve.

Yet, there's so much more to this country than breathtaking savannah and wildlife. The cities, traditions, and legacy of the peoples, culture and history are all part of Kenya's story. To learn more about it, we spoke to Kulpreet Chadha, a 5th generation Kenyan of Indian origin and Sama Abdi, who also grew up in Kenya. She's the Social Media Manager at TourRadar, and — as she would say — knows all the cute spots in Kenya for Instagram (like the flamingos at Nakuru Lake, for example.)

#### What are some essential things I should know about Kenya's major cities and communities?

**KULPREET:** The major cities are Nairobi, Mombasa, Kisumu and Eldoret.

I lived in Nairobi during my college years and it's a lovely city, even though it's got a bit of a reputation for pickpocketing. If you wander the neighbourhoods you'll get a sense of how much the city changes from one district to the next. If you love wildlife, then a visit to the Giraffe Centre is a must — it was established to protect the endangered giraffe, found only in the grasslands of East Africa.

Mombasa is my favourite place during a Kenyan winter (June to August). It's so relaxing and the perfect place to be when everywhere else is *brrrr*. As an adult I spent a couple of years in this city.

## FAQs about Intrepid Travel

### Are there any age restrictions on tour?

In most cases, the minimum age is 16, and an adult must accompany children under the age of 18. Overland Adventures have a minimum age of 16. Younger children can join certain tours, but most don't have a maximum age limit; however, some additional paperwork is required for all travelers 70 years and over.

### What is the average group size?

Intrepid Travel is known for its intimate group sizes and, in most cases, tours host between 12-18 people, although the group is usually made up of no more than 10 travelers. Overland tours use vehicles that can accommodate up to 24 travelers.

### Is it possible to extend my stay?

Please contact for details. Our 24/7 customer support team are happy to assist with bookings and any other tour requests.

### Are solo travellers allowed on tour?

Yes, absolutely, and most individuals that travel with Intrepid are actually solo travellers. They don't charge compulsory single supplements. Instead, they'll match you up with roommates of the same sex.

### Can my dietary requirements be accommodated?

If you have any food requirements or allergies, simply make a note at the time of booking and this information will be passed onto your tour guide. It's also recommended to carry a card with your dietary requirements written in the local language to cover you for any meals where you're eating away from the group.

### What is not included on tour?

Sending money, visas if applicable, personal travel insurance (highly recommended), medical fees, cost of optional activities, entrance fees and excursions (unless otherwise specified), flights, and departure taxes.

Below this is a section titled "Why Intrepid Travel?" with the sub-heading "Local guides who really care" and a photo of a local guide. Further down, there's a section "Interested in saving on your next tour?" with a sign-up form. Below that is "Experience Morocco's Imperial Cities" with a play button icon. Then "Enjoy expertly crafted itineraries" with a photo of camels. Next is "Embark on unforgettable active adventures" with a play button icon. At the bottom, there's a "Go touring in Morocco now" section with a grid of tour cards: "Morocco Family Holiday with teenagers", "Best of Morocco", "Morocco Atlas and Atlantic", "North Morocco Adventure", "Sahara Family Holiday with teenagers", and "Morocco Family Holiday".

## Why Intrepid Travel?

### Local guides who really care

"Travelers need to feel you doing your job for your heart, not just for a machine."

When you travel to Morocco with Intrepid, you'll immediately understand the difference that local guides like Tariq make. Connecting you to a country's people and places, Intrepid guides know all the best places to eat, unwind and understand new surroundings. They're the heart and soul of the places you travel, acting as your gateway to these one-of-a-kind, authentic experiences that make a trip unforgettable.

### Experience Morocco's Imperial Cities

The cities of Fez, Meknes, Marrakesh and Rabat are the four imperial cities of Morocco, and each one has played an important role in the country's history throughout the centuries. On a tour with Intrepid, you'll spend time in each of these cities, taking time to explore the unique and culturally rich characteristics of yourself.
